

# MOBILE TRANSFER CONVEYOR BRs1400.24/32

Customer Technometal VARDAR a.d. Export - Import

Plant Location Open Cast Mine Oslomej - Westfield (Macedonia)

Scope of work Turn-key project

---

## Project Figures

|                                       |                          |
|---------------------------------------|--------------------------|
| Rated capacity:                       | 3,500 lm <sup>3</sup> /h |
| Bulk density:                         | 1.8 t/m <sup>3</sup>     |
| Outreach of discharge side:           | 32 m                     |
| Length of receiving side:             | 24 m                     |
| Slewing ranges                        |                          |
| Superstructure against substructure:  | ± 210°                   |
| Receiving boom against superstructure | ± 100°                   |
| Conveyor belt width                   |                          |
| Discharge belt:                       | 1.4 m                    |
| Receiving belt:                       | 1.4 m                    |
| Service weight:                       | approx. 340 t            |
| Average ground pressure:              | approx. 90 kPa           |
