Technical Project Buyer (m/f/d)

Permanent, full-time position (37 h) – to start as soon as possible in Leipzig, Germany.

Your tasks:

- Independent coordination of project-specific, global purchasing of all required supplies and services in complex projects, with a specialization in electrical engineering and electrical equipment
- Independent purchasing of drawings-based mechanical and electrical assemblies
- Coordination of the delivery and time schedules in a project, taking the assurance of the punctual delivery into account
- Coordination of global purchasing activities with project teams, specialist buyers, suppliers and subsidiaries/regions
- Creation of tenders and enquiries as well as triggering and tracking of orders
- Conducting negotiations with suppliers
- Participation in the selection, qualification, development and evaluation of suppliers, as well as the analysis of global procurement markets

We offer you:

- Full time 37-hour week
- Flexible working hours and mobile work
- 30 days of holiday
- Pay in accordance with the collectively agreed pay scale, holiday pay and Christmas bonuses
- Permanent employment contract
- Individual professional development opportunities
- Annual feedback discussions
- Company pension plan and health care
- On premise cafeteria
- On premise car park or bicycle room

Your profile:

- A university degree in the field of industrial engineering, electrical engineering, business management or comparable
- 3-5 years of relevant professional experience
- Confident application of the valid purchasing law, contractual management, and understanding of business administration
- Strong negotiating skills with a strong goal orientation and the ability to get things done as well as advisory skills
- Independent, structured and diligent work approach, together with the ability to learn quickly
- Willingness to travel internationally (occasionally, as required)
- Sound knowledge of SAP, MS Office
- Very good knowledge of English at C1-C2 level (CEFR) and good knowledge of German at B2 level (CEFR)

As a technical project buyer, you can expect varied tasks within a technical and international environment. You will be supported by a dynamic and highly motivated team.
